Chapter 1- Preliminary and Restrictions on Insider Trading

1.1 Background

The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (“the Regulations”) seek to govern the conduct of insiders, connected persons and persons who are deemed to be connected persons on matters relating to Insider Trading.

Insider Trading involves trading in the securities of a company listed or proposed to be listed, by connected or any persons in possession of or with access to unpublished price sensitive information not available to the general public, who can take advantage of or benefit from such unpublished price sensitive information. Trading in securities by an ‘insider’ is regarded unfair when it is predicated upon utilisation of ‘inside’ information to profit at the expense of other investors who do not have access to the same information.

This Code of Conduct has been approved by the Board of Directors at its meeting held on 22nd September, 2017.

1.2 Objective of this Code of Conduct

This Code of Conduct has been prepared by adopting the standards set out in Schedule B of the Regulations in order to regulate, monitor and report trading by its employees and other connected persons towards achieving compliance with the regulations.
