JOIN US AT MOTILAL OSWAL FOR AGRI WEBINAR - *Review of India's Agricultural Commodities*

25th May, 2021

India's Agriculture sector has stood resilient in recent times despite the Covid-19 pandemic. Prediction of third consecutive year of normal monsoons in CY21 has further lifted the sentiments. Meanwhile, inflation in Agriculture commodities has accelerated. Variety of factors – global, domestic, demand-supply – as always, are at play. This can have multiple ramifications on various stakeholders – Farmers, Corporates and Economy in general. In order to understand this trends better, we are pleased to host a Webinar on Agriculture Commodities with an esteemed and accomplished guest.
